## Not Your Average DJ

If the DJ for your last event reminded you of the guy spinning records at a wedding you went to in the '80's, then you need our help.

We have a team of cutting edge DJ's who are bringing a fresh soundscape to major events, premium brand activations and exclusive parties across the country.

Music is often the key to a great night and we'll make sure you get it right.

**Wow at the Westin Opening**

We were delighted to provide entertainment for the official opening of the Westin Brisbane.

Parliamentarians, international guests and a bevy of special stakeholders were dazzled with special touches at the event including our fabulous pool spheres and incredible MC, Jasmin.

We're renowned for our innovative roving performers, bands, DJ's and specially produced shows, but don't forget we're also providing the best when it comes to professional MC's.

Jasmin is a stylish and professional corporate MC with a journalistic background. A delight to work with, fabulous on stage and an educated professional who holds her own with the toughest audiences.

## The Casting Couch Warehouse News

There's lots of action at The Casting Couch, the events industry co-working and display space.

Event Marquees have introduced new event fencing options which are now on display at The Casting Couch. And we love Fuse Pyrotechnic's erection of their fantastic new media wall.

We're looking forward to hosting our final "Hour of Power" for 2018 next week and they'll be reintroduced in the new year.

This brainstorming workshop invites The Casting Couch members to engage and collaborate in an open, casual format to work together to generate new business and foster relationships with existing clients.

If you want to be part of the many possibilities and activities at The Casting Couch or simply need a working space when you're in Brisbane, contact us for details.
